

ENVIRONMENTAL POLICY STATEMENT

Approved:

Millgate Ltd. recognises its' responsibility towards the environment and issues this policy as a statement of management and employee commitment to minimising the environmental impact of its' business activities. In order to ensure effective management of its activities with the potential to affect the environment, Millgate commits itself to:

- Being aware of how its' activities, products and services impact upon the environment, and is committed to complying with relevant environmental legislation and regulations and to other requirements to which the organisation subscribes.
- Ensure compliance and support which has been identified, applicable to client and industry Company Standards, Statements, conditions and requirements.
- Identifying objectives across the business aimed at continual improvement of its' environmental performance by building environmental considerations into its' decision making processes and methods of operation, to minimise environmental impact, for the life cycle; of plant, equipment and other physical assets under its control and prevent pollution.
- Specifically protecting the environment with reference to aspects of work activities that are environmentally significant.
- Ensuring that all Millgate Ltd. activities and services, giving rise to significant environmental effects, at all sites are covered by this policy and that the policy is implemented, maintained and communicated to all employees.
- Communicating this policy to its customers and the general public.
- Requiring its' suppliers and contractors to have a proper regard for Millgate Ltd. Environmental Policy for the goods and services they provide.

This policy will be reviewed annually.
